AVOID RISKING YOUR GOOD SAMARITAN LAW PROTECTIONS!

1. **When calling 911 services, say:**
   a. Give Location
   b. Say: "We have a person down. They're not breathing. Suspect an overdose."
      1. This will activate the Good Samaritan Law + your protections
2. **Do not interfere with the first responders**
   a. Step Back.
   b. You will be risking your Good Samaritan Law protections otherwise.
3. **Witnesses are protected even if they...**
   a. Are under the influence of drugs
   b. In possession of small amounts of drugs
   c. In possession of drug paraphernalia
