

# Know Your Rights

## Syringe Possession

HSC 11364; HSC 121349; AB 2077

- Lawful to possess syringes for personal use
- No limit to syringes possessed, can be from any source
- Lawful to possess for disposal
- No age restriction

## Syringe Distribution

HSC 121349; BPC 4145

- Syringes can be dispensed without a prescription by physicians, pharmacists, or syringe service providers
- No limit on the number of syringes given

## Naloxone (NARCAN)

CC 1714; BPC 4052

- Anyone may possess Naloxone
- Anyone may administer Naloxone to someone they believe is experiencing an overdose

## Paraphernalia

HSC 121349

- California Department of Public Health (CDPH) and local health departments may designate materials for distribution by syringe service programs such as SHRC and these materials are NOT considered drug paraphernalia
- CDPH designates all materials from its Clearinghouse, where SHRC gets its supplies, as necessary for the prevention of disease, injury, or overdose.
- It is **LAWFUL** to possess all of these items from syringe service program, such as safer smoking, injecting, snorting, etc.
